

FOR IMMEDIATE RELEASE:

RecognizeGood.org launches the “Legends of RecognizeGoodSM”

RecognizeGood.org honored Gullett Elementary Librarian Kay Gooch as the first recipient of the Legends of RecognizeGoodSM program, on April 20, 2010. The school is inspiring students to read, Gullett Elementary Librarian Kay Gooch was presented with this special honor as the first “Legends of RecognizeGoodSM” recipient.

RecognizeGood.org is an innovative social networking website that allows visitors to recognize exceptional acts of kindness, generosity, or other good deeds. The recognitions can include photos or videos. Along with the recognition a charitable donation can be made in that person’s name. The Samaritan Counseling Center (a 501C-3 non-profit organization) is the founding beneficiary, and owner of the program. The founding program sponsors are TyRex Group, Ltd. and ABC Home and Commercial Services. The mission of **RecognizeGood.org** is to elevate the world’s spirit of community by creating a public forum in which to recognize, reward, and promote acts of kindness and unselfish charity.

With the beginning of its second year, RecognizeGood.org launched the Legends of RecognizeGoodSM, a program about recognizing and valuing the good in our communities based on recognitions posted on the RecognizeGood.org website. It was created to recognize special individuals who do extraordinary acts of kindness, charity, and good deeds in large numbers, or over a long period of time, or as an incredibly special single event. It is a monthly program wherein the individual receives “pay it forward” financial recognition to be given in their honor to a qualifying 501C-3 non-profit organization of their choosing. Along with this special recognition, both the honoree and non-profit representative receive a gift certificate, and the monthly Legends recipient is included in the annual Grand Legends selection program (another recognition and pay-it-forward opportunity) in April 2011.
