

FOR IMMEDIATE RELEASE:

RecognizeGood.org names the latest “Legends of RecognizeGoodSM”

RecognizeGood.org presented the “Legends of Recognize Good” award for July, 2010 to the late Dorothy Hodson. The presentation ceremony took place Tuesday, July 13th at St. David’s South Austin Medical Center Auditorium. Dorothy Hodson was a volunteer at the South Austin Medical Center for 17 years. She worked over 33,000 volunteer hours at the medical facility. Ms. Hodson’s dedication helped numerous patients and their families face and overcome issues surrounding the need for medical assistance and care. Mrs. Hodson passed away in December 2009. Accepting the award on her behalf was her son Barry Hodson. The award was presented by The Honorable Dolores Ortega-Carter, Travis County Treasurer, and Vice President and Treasurer, Samaritan Counseling Center of Austin Board of Directors.

A “Legends of RecognizeGood” recipient is named each month. The award recognizes someone who does extraordinary acts of kindness, charity, and good deeds. The program hopes to create community awareness by illuminating these extraordinary people’s acts of kindness. The recipient receives a \$500 “pay it forward” gift. Ms. Hodson’s gift will be given to The South Austin Medical Center Auxiliary.

RecognizeGood.org is an innovative social networking website that allows visitors to recognize exceptional acts of kindness, generosity, or other good deeds. The recognitions can include photos or videos. Along with the recognition a charitable donation can be made in that person’s name. The Samaritan Counseling Center (a 501C-3 non-profit organization) is the founding program owner. The founding program sponsors are TyRex Group, Ltd. and ABC Home and Commercial Services.

The mission of **RecognizeGood.org** is to elevate the world’s spirit of community by creating a public forum in which to recognize, reward, and promote acts of kindness and unselfish charity.

With the beginning of its second year, RecognizeGood.org launched the Legends of RecognizeGoodSM, a program about recognizing and valuing the good in our communities based on recognitions posted on the RecognizeGood.org website. It was created to recognize special individuals who do extraordinary acts of kindness, charity, and good deeds in large numbers, or over a long period of time, or as an incredibly special single event. It is a monthly program wherein the individual receives \$500 “pay it forward” financial recognition to be given in their honor to a qualifying 501C-3 non-profit organization of their choosing. Along with this special recognition, both the honoree and non-profit representative receive a gift certificate, and the monthly Legends recipient is included in the annual Grand Legends selection program (another recognition and a \$2500 pay-it-forward opportunity) in April 2011.
